*"Wendy Lipton-Dibner has helped me shatter my own speed limits. She hired me for marketing advice, but soon I was asking her to coach me! Her advice helped me quickly double my sales, took my tennis game to a new level, and even improved my marriage. Her formula is simple but profoundly useful for anyone who feels stuck and wants to soar to new heights in any area of their life. Don't just read this book. Do what it says!"*
